IMPORTANT Some events have a max capacity limit due to venue size, volunteer availability, and materials/supplies limitations. We try to ensure the largest amount of youth can be included in each event, however, we can never guarantee a spot will be open. All event registrations are done on a first come, first serve basis. Thank you for your understanding! **Why you may not be able to find the event you are looking for**

-Your child does not meet the criteria of the event. If an event is for youth in grades 4-6, it will not show up for a member in grades outside those set parameters.

-The event has reached its max capacity and is no longer open for new registrations.
