# NORTHWOODS EXPLORERS 4-H CLUB HAPPENINGS

## “If These Woods Could Talk”

Matt from the Rhinelander District Library spoke at the Northwoods Explorers 4-H Club gathering in January about the library’s and WXPR Public Radio’s “If These Woods Could Talk” program. The program encourages anyone in the area with a story to tell about the Northwoods to participate in this new podcast series. Matt is the project lead for the series, which will give area residents a chance to share their memories, stories, and local knowledge with others.

Some of the club members will be participating in this program, and we are excited to hear from them! What a fun opportunity to contribute to your community by listening and learning from others!
