## Committee Reports

## Unfinished or Old Business

### Overview of 4-H Robotics in Oneida County

- Purpose
- Past STEM programs:
  - Junk Drawer Robotics – virtual
  - 4-H/FIRST LEGO League Challenge team (grades 4-8)
  - 4-H/FIRST LEGO League Explore team (grades 2-4)
  - Robo-Camp

## New Business

### Vision, Mission, and Purpose Review and Discussion

### Bylaws Review and Discussion

- Required for chartered 4-H groups and clubs.
- Vote to adopt **if ready** or form a **Bylaws Committee** to finalize changes before the next meeting. (Wisconsin guidance recommends reading and discussing bylaws at the first meeting and voting once changes are complete.)

### Programs & Education

- Brainstorm offerings in 2026-2027:
  - Teams
  - Day Camps
  - Workshops
  - Community Outreach or Service Learning
  - Field Trips
  - Community STEM events
  - Youth leadership opportunities

### Funding Needs & Funding Sources

- Identify needs
- Identify funding sources:
  - Grants
  - Sponsorships
  - Donations
  - Fundraisers

## Next Meeting

- Confirm time, location, and goals for next meeting

## Adjourn
